

## HOW DO I SHIP MY BOXES TO YOU?

STEP  
1

Inside your Kit locate and remove the Prepaid Shipping Label. Make sure it's accurate.

STEP  
2

Place your items inside the shipping kit box we provided. Then seal the kit closed. Attach the shipping label to the kit. If you do not have tape you can secure the edge with the Shipping Label.

STEP  
3

Take your Kit to your local Post Office or leave it in your mailbox for pick-up (if it fits).

## WHEN WILL I RECEIVE MY PAYMENT?

### IF YOUR PAYMENT METHOD SELECTED IS "CHECK":

- One we receive your kit at our facility we do our best to check in your order within 2 business days.
- Your check will usually be shipped out within the next business day after your order was verified and processed.
- Once your check is shipped out please allow 3-5 business days to arrive to you.
- Your check will be inside a new kit that you can use on your next shipment.
- You will also receive an email notifying you when your check is on its way to you.

### IF YOUR PAYMENT METHOD SELECTED IS "PAYPAL":

One we receive your kit at our facility we do our best to check in your order within 2 business days.

- Your payment will usually be made to the PayPal account you provided to us within the next business day after your order was verified and processed.
- You will also receive an email notifying you when your PayPal payment has been processed.
- If your payment method is PayPal we will reship you new kit for you to use on your next shipment about a week after your payment was processed.

**THANK YOU FOR YOUR BUSINESS**
